[Verse 1: Marko]

Susie's got a problem in that paper bag

Em C G D

Oh, she's dying but she loves how it feels

Em C G D

And Jonah can't be bothered with that fuzzy brain

Em C G D

Only does it 'cause he knows that it's real

[Chorus: Marko]

Em C G D

I think I'm addicted to your love

Em C G D

I've been so out of touch

Em C G D

I can't just get you off my mind

Em C G D

Yeah, you got me fiending for that drug

Em C G D

Or sip straight from that cup

Em C G D

I think you take up all my time

[Verse 2: Jordan Everett]

Em C G D

Susie gets a little bit colder and Jonah gets a little bit older

Em C G D

Neither wants to go back sober, so stumble on they will

Em C G D

Both are living reckless lives in chains no one can see inside

Em C G D

They can't escape from the kill

[Chorus: Jordan Everett]

Em C G D

I think I'm addicted to your love

Em C G D

I've been so out of touch

Em C G D

I can't just get you off my mind

Em C G D

Yeah, you got me fiending for that drug

Em C G D

Or sip straight from that cup

Em C G D

I think you take up all my time

[Bridge: Marko & Jordan Everett]

Em C G D

Girl you got me feeling rough, oh but I can't get enough

Em C G D

I'm addicted to your body, I'm addicted to your love

Em C G D

Girl you got me feeling rough, oh but I can't get enough

Em C G D

I'm addicted to your body, I'm addicted to your love

[Chorus: Jordan Everett]

Em C G D

I think I'm addicted to your love

Em C G D

I've been so out of touch

Em C G D

I can't just get you off my mind

Em C G D

Yeah, you got me fiending for that drug

Em C G D

Or sip straight from that cup

Em C G D

I think you take up all my time
