You see tonight, it could go either way

Hearts balanced on a razorblade

We are designed to love and break

And to rinse and repeat it all again

I get stuck when the world's too loud

And things don't look up when you're goin' down

I know your arms are reachin' out

From somewhere beyond the clouds

There's a silver lining that surrounds the grey

It sounds really good! Sounds a little odd when Ed Sheeran plays the guitar himself but other than that it's great.

Sounds better Capo 2. Down two steps.
