What do you think about this tab?

- Awesome song! I think when he says "biblical, it's biblical" it goes C#m-B-E-B-A, there's an extra B before A. Good job and thanks for the tab!

- Thank you ! Loved the song when I first heard it. A great talent !  
I can have a look at that run down but it's often tricky following single notes. I will leave it for a little bit to see if any other suggestions come in
